

► OBL Genuine Spare Parts, keep your pump running at optimal levels

OBL has built a reputation for superior reliability by supplying high-quality products carefully-designed. However, even the best equipment requires a minimal amount of preventative maintenance. OBL offers KOPkits (Keep On Pumping kits) designed to guard against unnecessary downtime and assure you the highest level of efficient and uninterrupted service from your OBL pumps. Many pumps model you purchase has a unique KOPkit of spare parts. It contains all the parts needed to assure reliable operation. There may be different levels of kits based on your pump model. A KOPkit is a troubleshooter's best friend. In the event of a breakdown, it will put you back in business fast! Preventative maintenance will insure continuous high performance of your pump. OBL assure the ready availability of all the spare parts of the pumps.
